

Mathematical Literacy in the Middle and High School Grades: A Modern Approach to Sparking Student Interest, 2012, 176 pages, Faith Wallace, Mary Anna Evans, Megan Stein, 0133092593, 9780133092592, Pearson Education, 2012

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Mathematical Literacy in the Middle and High School Grades gives future and current middle and high school classroom teachers the concepts and practical, hands-on suggestions, activities, lesson plans, skills, and tools they need to enhance and enrich their students' mathematics learning. From its opening overview of the theory behind a variety of new strategies for teaching math to its everyday, concrete assistance, the book helps teachers find and use engrossing ways to introduce math concepts through stories, using hands-on activities to reinforce the concepts. Included are ready-to-use activities busy teachers can incorporate or adapt to fit their particular classrooms and their students' individual needs.
